

COURSE DESCRIPTION

The purpose of this seminar is to provide nurses who have attended and completed the requirements of a basic Sexual Assault Nurse Examiner Training Course with knowledge specific to the pediatric sexual assault examination. This intense four-day seminar will include 32 hours of specialized training.

This training does not "certify" the nurse to perform pediatric sexual assault exams. Satisfactory completion indicates that the nurse has attended the training. Post clinical requirements will be recommended and that will become the responsibility of the nurse to arrange after the didactic course.

TRAINER

Colleen O'Brien, RN, MS, SANE-A is president of Shamrock Healthcare in Madison, Wisconsin. She has been involved in the medical evaluation of sexual assault victims since 1988. She has served as the Forensic Educator for the SANE Program in Meritier Hospital and as the Clinical Director for the YWCA/SANE Program and the Shamrock Healthcare Associates, Inc. She works as a forensic nurse consultant and trains across the country.

Ms. O'Brien has published articles for the Journal of Emergency Nursing in the field of child sexual abuse and improved forensic documentation of genital injuries with a colposcopy. She is a member of the International Association of Forensic Nurses (IAFN) and received the Virginia Lynch Pioneer Award in Forensic Nursing in 2003.
