Sexual Assault Nurse Examiner (SANE)

The Sexual Assault Nurse Examiner (SANE) is a registered nurse who has been specially trained to care for the complex issues surrounding victims of sexual assault. The purpose of this training is to teach interested RNs to better care for their patients by recognizing, collecting and preserving evidence, interviewing victims and linking them to vital community resources for follow-up.

Course Description

This 40 hour didactic course is geared toward the Registered Nurse, but is informative for physicians, law enforcement officers, prosecutors and victim advocates. It is designed to provide a comprehensive education program in the complete assessment, evaluation and treatment of the adult sexual assault patient.

Upon completion of the 40 –hour didactic training, there is a post-training clinical requirement that must be completed according to the nurse’s scope of practice and guidelines of the training course.

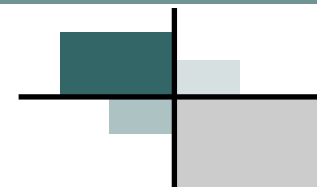

RNs MUST attend ALL five days of the training to receive contact hours.

This course meets the educational guidelines of the IAFN.
